Updated: 11/2/17
CPS Training Dolls

Over 20 dolls available in sizes premie to booster seat size for use in teaching child passenger safety. Lanyards identifying age, height, and weight are also available.

Training Car Seats

Dozens of different seat styles and sizes available for CPS Training from infant seats to booster seats.

Dial-a-Belt Training Seat (large)

2 Units Available. The Dial-A-Belt Training Station is a lightweight, portable, and comprehensive training aid that incorporates a realistic representation of the various safety belt configurations found in the automotive environment today. It allows for a true "hands-on" approach to today’s training and awareness programs.

Includes 2 point ALR, ELR with free sliding latch plate, ELR with locking bar tongue, and ALR/ELR dual mode or switchable.
Never Leave Your Child Alone In A Car Display Signs

These sign remind parents and caregivers to never leave their child alone in a car, 12"x18".

Outdoor Temp vs. Vehicle Temp Display

This machine measures the temperature outdoors vs. the temperature inside an enclosed vehicle. This display will show everyone how quickly the temperature rises in a vehicle on a hot day.

Hot Car Crocs

One matching pair of Crocs. One was left in a hot car and shrunk. This is a great visual aid to show effects of heat in a vehicle.
Vehicle Safety Resources

Look Before You Lock Dog or Cat

Used as a display, this dog or cat has the “Look Before You Lock” flyer tied around his neck.

Safety Cones

Large assortment of traffic and safety cones available.

Traffic Cone Barricade

Four adjustable barricades 4ft-7ft. (requires 2 cones to stand alone).

High Visibility Vests

Large Assortment of High Visibility Vests, some with Safe Kids Logo.
Vehicle Safety Resources

**Safety Seat Check Road Signs**

Six Safety Seat Check Signs with Velcro inserts including Arrows, Enter, Exit, and No Exit. Stands 37” tall.

Signs fold up into convenient carry bags.
*(May Require Sand Bags)*

**Free Car Seat Check Road Signs**

Two Large folding road signs. Stands 72” tall.
*(May Require Sand Bags)*

**High Visibility Barricade**

High Visibility Barricade with Velcro Arrow Attachment. Lightweight, Folds up into carry case. Stands 7ft long.
Vehicle Safety Resources

CPS V-Board Signs

Four yellow signs which fold up into carry cases. 53” Tall x 48” Wide

1 Enter, 1 Exit, 2 Caution, back of each reads “Caution”

(May Require Sand Bags)

Crosswalk Mat

Carpet Crosswalk Mat, 8ft long, 44” wide.
Vehicle Safety Resources

Blind-Zone Awareness Kit

Kit provides the resources to conduct a hands-on blind-zone demo on any vehicle (28” collapsible cone, tape measure) & a comprehensive collection of blind-zone education materials (printed/electronic, videos, images, etc.).

Spot The Tot Mats

20ft Mat available in vinyl or carpet. This creates a visual display of how far behind a parked vehicle the driver has zero visibility.

Carpet 34” wide, Vinyl 24” wide.
Vehicle Safety Resources

CPS Drive Through Tent

Four Large drive through tents designed to shade vehicles during car seat checks.

(Will Require Sand Bags)

Fatal Vision Goggles

Fatal Vision Goggles simulate .07-.10 Blood Alcohol Content visually.

Spin to Win

Distracted Driving Spin to win classroom game. Stands 42” or 70” tall.

*Restricted Item
Vehicle Safety Resources
