

## MEDICINE SCHEDULE

- Keep medicines up and away and out of sight.
- When measuring liquid medicine, use the dosing device that comes with the medicine.
- If you are depending on someone else to give your child medicine, write clear instructions about what to give, when to give it and how much to give.
- Check the “Medicine Given” box after the child has taken the medicine as scheduled.

Child's Name	Date	Time		Medicine	Amount	Medicine Given?
Jack	Mon. 3/15	7:00	AM	Tylenol	2.5 mL	✓

*Use this tool to make sure children get the right dose of the right medicine at the right time.*
